Dear Students and Parents,

I hope you are having a wonderful summer and enjoying your time off. I have been spending a lot of time thinking about all the great things we will be adding to the art room and am excited to start the school year!

My art room will again be choice based or TAB, which stands for “Teaching Artistic Behaviors.” This essentially means that after introducing each station (drawing, painting, collage, sculpture and more) what students can find there and how to use the materials, they have choice as to where they would like to work. If you have questions about the TAB method please feel free to either e-mail me at Kelly_Bolt@dpsk12.net or check out our school blog; https://artconkelley.weebly.com/

I am including a copy of our classroom supply list as well as helpful recycled donation items to bring in! If you are interested in helping out in the art room please e-mail me with your name and child’s name and classroom and I will add you to our e-mail list!

I am looking forward to seeing you soon!

Kelly
